

QMS ISO 9001: 2015 POLICY

AXNAR UK LTD is the company that specializes in the distribution of medical devices to various sectors including companies, governmental organizations, and public health facilities. In our efforts, we focus on the high quality and cost attractiveness of our products as well as on long-term, partnership-based relationships with our customers and suppliers.

As part of the implementation of the QMS Policy, we commit to:

- ⇒ *managing the organization following the requirements of the ISO 9001 series, industry standards, and legal requirements.*
- ⇒ *continuous improvement in the area of the quality management system and customer satisfaction*
- ⇒ *continuous development of employees and their qualifications to meet the requirements of customers and the labor market*
- ⇒ *periodic analysis of the context, as well as risks and opportunities related to the achievement of the organization's objectives.*

The management continuously verifies the organizational resources to ensure that appropriate personnel, equipment and materials are available to meet the requirements of this QMS Policy and to contribute to sustainable development.

Managing Directors
Axel Baumeister, Gunnar Zimmermann
